3 Times Table

Spin and Multiply 3 Times Table

Use a paperclip and a pencil to spin a multiplication calculation for the 3 times table. Find the answer below and colour it. If playing with two players, each person uses a different coloured pencil. The player with the most coloured numbers wins!

12	24	9	18	36	3
6	33	30	27	15	24
36	12	33	3	9	21
21	27	6	36	15	18
3	30	24	33	12	6
9	18	15	30	21	27
